

# 2023 Summer Writing Challenge

**UAMS** | Translational  
Research Institute

Join the Summer 2023 Writing Challenge for friendly competition and motivation to write and submit your manuscripts.

The challenge runs through **August 31** and will conclude with a TRI-hosted mixer with food, fun and announcements of this year's competition winners at both the Little Rock and Northwest Arkansas campuses.

Researchers who have received any TRI resources or support since 2017 are eligible to participate.
